Sir:

It is submitted that the Office Communication of March 11, 2003 was erroneously deemed a "Notice to File Missing Parts of Reissue Application." However, since the item required by the Communication is the reissue specification in double-column format, it is submitted that it should properly have been denominated as a "Notice to File Corrected Application Papers." Further, the Communication erroneously indicated that a fee was required under 37 CFR 1.16(e). However, 37 CFR 1.16(e) requires a fee only for late payment of the basic filing fee or late filing of the Declaration. No fee is due for filing of corrected application papers.

Attached hereto is a reissue specification in double-column format. Although it is submitted that no fee is warranted by this filing, if the Office deems any fee is due in this application, such fee may be charged to Deposit Account No. 19-4375.

Respectfully submitted,

James E. Ledbetter
